

Custom .30-06 Mauser Rifle

Serial Number 3154

\$4000.00

DESCRIPTION

Custom made rifle by an unknown maker.

Built on an original 1917 Mauser action and chambered in .30-06 Springfield with a jeweled bolt body, 3-panel checkered bolt know, original hinged floorplate with an inside-the-bow release, a tang mounted safety button, and a modern Kanjar trigger.

Rifle has a 22" barrel Krieger Match Grade barrel.

Redfield style rotary bases mounted on rear bridge and Nock's form

The stock is highly figured and appears to be a piece of California Claro walnut with a lot of figure. Stock has right hand, shadow line cheekpiece, and fleur de lis checkering pattern on the wrist and forearm of the stock. A two screw, checkered steel grip cap and a Al Biesen checkered steel butt with a trap. Inside of stock is stamped with the letters "RAS" inside a diamond.

Single sling studs on the toe line of the butt and under the forearm. Ebony forend tip.

Rifle is in excellent overall condition.
